We're looking for fresh, relevant topics for our POP Talks webinar series presented during **POP Month** in March

POP MONTH WEBINAR SERIES

POP Talks is a series of one-hour virtual conversations presented throughout **POP Month**—a celebration of the Prosthetic, Orthotic & Pedorthic (POP) profession.

THINK BEYOND THE CLINICAL

We're looking for topics that help POP professionals and students learn something new, think differently, and grow professionally.

WHAT COULD WE TALK ABOUT?

Here are a few ideas:

PROFESSIONAL GROWTH

Leadership, mentoring, career development, building your network

THE BUSINESS OF POP

Workplace culture, entrepreneurship, recruiting and retention

THE FUTURE OF POP

AI & technology, innovation, what's next for the profession

THE HUMAN SIDE OF POP

Wellness, communication, teamwork, navigating change

LIFE IN THE PROFESSION

Career journeys, lessons learned, finding your niche

GREAT TOPICS ARE...

RELEVANT

Addresses an issue, trend, or opportunity that matters to today's POP community.

FRESH

Explores something audiences may not encounter in traditional clinical education.

PRACTICAL

Gives attendees ideas, tools, or perspectives they can put into practice.

THOUGHT-PROVOKING

Challenges assumptions, sparks conversation, or offers a new perspective.

POP-CONNECTED

Relates to the people, profession, workplace, patients, industry, or future of POP.
